COMPETITION LEVELS

Performance

- Dancers who take a total of ***less than three hours*** of combined dance and/or acrobatics lessons per week.
- *Please note* that it is not mandatory to enter the Performance level if you take three hours or less. You may also enter Advanced or Competitive level. However, if a Duet/Trio or Group has one or more dancer(s) taking more than three hours of dance/acrobatics per week, it must enter a higher level.

Advanced

- Dancers on the rise between Performance and Competitive.
- Advanced includes dancers taking ***three to five hours*** of dance and/or acrobatics per week with limited competition experience, and not yet ready to compete at the highest level.
- If a dancer competes in the Advanced Level as a soloist they must remain in the Advanced Level for all solos. The dancer cannot move down and perform in any Performance Level routines. However, the same dancer can move up and perform in a Competitive level duet, trio and group.
- If a Duet/Trio or Group has one or more dancers taking over five hours of dance/acrobatics per week, it must enter the Competitive Level.

Competitive

- The highest and most competitive level of dancers.
- Competitive Level includes:
 - 1) *All* dancers taking ***over five hours*** of dance and/or acrobatics per week,

- 2) Performance level dancers that wish to compete at a competitive level, and

- **Dancers competing at the Competitive level as a soloist must remain in the Competitive Level for all other solos, duet/trios, and group routines performed at that competition.**
Teachers must use their own sound judgment when determining the number of hours of practice per dancer and in which level contestants should be placed. Routines that are obviously under-placed may be placed in a higher level by the judges.

AGE DIVISIONS

NEW

- Ages for Solos, Duet/Trios, and Groups are as of January 1st.
- For Duet/Trios and Groups, the ages of all contestants as of January 1st must be averaged together. If there is a decimal, round down and drop the decimal.
