

WELCOME TO THE *Finals*

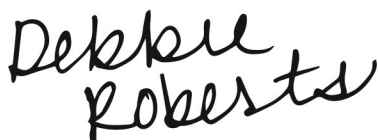

The Finals are all about putting your best ideas in the spotlight.

Showstopper started with one idea: to give dancers a chance to perform. It was so simple, but so powerful. I wanted to give dancers a chance to show off their skills and talent on a bigger stage than the recitals we were doing in my studio. That idea just took on an unbelievable life after 48 years.

I cannot believe where we are today. Today, Showstopper is a movement and a lifestyle, a competition that prioritizes dancer success over anything else.

Dave and I are so thankful for everyone who has believed in us for 48 years and everyone who has supported that original dream. It is an honor to see dancers cross the stage again and again, winning their first trophy, achieving a Crystal, or becoming the America Loves to Dance Champions.

Every year at The Finals, we are reminded of how special the dance community is. Let's celebrate a season of hard work and fabulous dance!
